

Table of publication, oral presentations, abstracts and posters by Susan Løvstad Holdt 2004-2007

Publication	Titel
Vand & Jord- Tidsskrift for miljø og natur	Holdt,S.L., 2008. Tang som biofilter ved havbrug, vol 4, p. 131-133
Oral Presentations and Abstract (A)	
Koordineringsgruppen Dansk Akvakulturforskning, Ferskvandscentret i Silkeborg 16 marts 2004	Holdt,S. 2004. Begrænsning af næringsstofudledning fra havbrug ved udplantning af makroalger
Environmental issues of marine fish farming in the Mediterranean-PhD course (SDU), Crete, June 2004 (A)	Holdt,S. 2004. Nutrient reduction in aquaculture waste by macroalgae culture. Abstract, p. 1
Akvatisk Biologi, KVL København 16 juni 2004	Holdt,S. 2004. Begrænsning af næringsstofudledning fra havbrug ved udplantning af makroalger
AQUACULTURE EUROPE 2004- Biotechnologies for quality", Conference Barcelona- Spain, October 20-23 2004	Holdt,S., Dahl-Madsen,K.I., Sørensen,J.T. 2004. Improved Water Forecast by integrating Earth Observation Products- The Application for Marine Fish Farming
Havforsker mødet. Conference Copenhagen- Denmark, February 1-3 2005 (A)	Holdt,S., Møhlenberg,F., Dahl-Madsen,K.I. 2005. Polykultur af Regnbueørred (<i>Oncorhynchus mykiss</i>) og Rødalgen <i>Chondrus crispus</i> i de indre Danske Farvande, Abstract, p. 91-92.
Afdelingsmøde DHI. februar 4 2005.	Holdt,S., Møhlenberg,F., Dahl-Madsen,K.I. 2005. Polykultur af Regnbueørred (<i>Oncorhynchus mykiss</i>) og Rødalgen <i>Chondrus crispus</i> i de indre Danske Farvande
WORLD AQUACULTURE 2005- Conference Nusa Dua, Bali- Indonesia, May 9-13 2005 (A)	Holdt,S., Møhlenberg,F., Dahl-Madsen,K.I. 2005. Polyculture of Rainbow Trout <i>Oncorhynchus mykiss</i> and Red Algae <i>Chondrus crispus</i> in the Inner Danish Waters, Abstract, p. 257
Aquaculture 2006: WAS+EAS Conference. Florence, Italy, May 9-13 May 2006 (A)	Holdt,S., Møhlenberg,F., Dahl-Madsen,K.I. 2006. Polyculture in Denmark: Status, feasibility and future, Abstract, p. 390
Afdelingsmøde DHI 3. nov 2006 (Præsentation af Erhvervsrapport tilsendt Ministeriet for Videnskab teknologi og udvikling)	Holdt, S. 2006. Characterization of the innovative climate at DHI and the industrialphd-project as part of the innovation
Posters	
Åbent hus Fjordbiologisk laboratorium. Kerteminde. September 2004	Holdt, S. 2004. Tang som biofilter
AQUACULTURE EUROPE 2004- Biotechnologies for quality", Conference Barcelona- Spain, October 20-23 (A)	Holdt,S., Møhlenberg,F., Dahl-Madsen,K.I. 2004. A New Era for Danish Marine Fish Farming?, Abstract, p. 422-423.
British Phycological Society winter meeting. Conference Birmingham University, January 5-7 (A)	Holdt,S., Møhlenberg,F., Dahl-Madsen,K.I. 2005. Polyculture of Rainbow Trout <i>Oncorhynchus mykiss</i> and Red Algae <i>Chondrus crispus</i> in the Inner Danish Waters, Abstract, p. 24.
"WORLD AQUACULTURE 2005". Conference Nusa Dua, Bali- Indonesia, May 9-13 2005 (A)	Holdt,S., Møhlenberg,F., Dahl-Madsen,K.I. 2004. A New Era for Danish Marine Fish Farming? Abstract, p. 258
"MARIE CURIE ACTIONS: Making Europe more attractive for researchers". Conference Pisa/Livorno-Italy, September 28-30	Holdt,S., Dring,M.J., Møhlenberg,F. 2005. Seaweed used as biofilter in nutrient rich water. Winner: Most nominated poster within the environmental subject by non-specialist
Havforsker mødet 2007, Odense (A)	Holdt, S.L., Christensen,L., Møhlenberg,F., Dahl-Madsen,K.I. Iversen,J.J.L. 2007. Polykultur med fisk og tang i Danmark ?, Abstract, p. 154-155
